

Welcome aboard the Zuiderdam for your European experience

The Holland America Line vessel Zuiderdam represents the arrival of a new age in cruising. This ship offers more staterooms with private verandahs, more dining choices and more ways to relax and rejuvenate, especially with facilities like The Greenhouse Spa and Salon, the most luxurious spa in the shipping line's fleet.

Zuiderdam has two glass elevators on the outside of the ship that allow you to rise above the ocean, providing panoramic views of the ever changing sea as your odyssey unfolds. Eighty five percent of Zuiderdam's staterooms have ocean views and more than two-thirds of the rooms have verandahs.

You have the choice of dining on more than 50 mouth watering dishes developed by Holland America's Corporate Executive Chef. The ship offers you an option of dining experiences from the two storey Vista Dining Room with floor to ceiling windows on three sides to the intimate Pinnacle Grill. This reservations-only restaurant with its romantic candlelight ambiance and fine décor sets the stage for fresh Pacific Northwest dishes and select wines.

Other outstanding facilities found aboard the Zuiderdam include the Explorer's Lounge with its understated elegance of light pastel

fabrics and fresh flowers. With intimate seating for small gatherings, this is a popular meeting place for friends old and new.

Alternatively you can spend warm days with an icy beverage, lounging poolside and enjoying the light Mediterranean breezes while sailing to new discoveries onboard the Zuiderdam.
